EDUCATION

Grand Circus

July 2020 – December 2022

- Full Stack C# .NET bootcamp certificate

WORK EXPERIENCE

Rocket Mortgage – Associate Software Engineer in Training

July 2020 – December 2022

- During this time my role was to complete the Rocket Mortgage DevBuild program which included the Grand Circus Full Stack C# .NET bootcamp while assessing knowledge and skills gained in weekly assessments.

Rocket Mortgage - Trainer

September 2020 – July 2022

- Developed training materials including learning objectives, assessments, workbook activities, along with process and class outlines.
- Facilitated weeklong classes leading learners through the course to meet training objectives.
- Host meetings with business partners to present current training objectives and identify areas of opportunity.
- Collaborate with my peers and leadership to develop Objective Key Result goals and execute what is needed to meet them.

Rocket Mortgage – Vendor Resolution Specialist

July 2016 – September 2020

- Trained in multiple roles to obtain and review documentation resolving escalated situations.
- Used critical thinking, deep diving, and communication skills to expedite obtaining documentation, working many different processes interchangeably.
- Communicated with third parties to obtain multiple document types.
- Continuously made myself a resource for those around me.
